

GREENE COUNTY YMCA
VOLUNTEER APPLICATION

Thank you for considering the Y as a place to donate your time and talents. Volunteers are vital to the Y. Without them, we would not be able to meet the needs of the kids, families and adults who live in Greeneville and Greene County.

In today's society, organizations that provide youth programs and activities are beginning to implement preventative measures that directly relate to child abuse prevention and training. Because safety is of primary importance in our youth programs, we reserve the right to conduct background checks on all YMCA volunteers and employees. Thank you for your cooperation in this effort. Volunteers may also be asked to complete an online training that will be emailed from Health and Safety Institute.
