YMCA MISSION STATEMENT:

To put christian principles into practice through programs that build healthy spirit, mind, and body for all.

YMCA SPORTS ARE DIFFERENT

Y Sports are about offering young athletes the opportunity to participate in a sports' program where the emphasis is placed on participation and learning in a safe, caring environment. We do not care who wins or loses. As our coaches say, "If you have fun, you won!" In our sports' programs every child plays at least half of every game, giving each child an opportunity to learn and play many positions. We emphasize our our mission, goals, core values, and methods as a basis for all decisions about this program-from how it is led, whom it serves, what is taught, and how it is managed. Y sports are about children, giving girls and boys the chance to succeed and reach their highest potential.

PARENT CODE OF CONDUCT

- Encourage children during the game.
- Keep comments positive
- Leave coaching to the coaches; turn your child over to the coaches at practices and games. Don't meddle or coach from the sidelines.
- Take any constructive comments regarding the game or practice to the head coach after the game or practice.
- Do not interrupt the game.
- Please model good sportsmanship for our children.
- Be in control of your emotions.
- Keep winning in perspective and help your child do the same.
- Don't be overly concerned with the outcome of the game.
- Do not criticize officials.
- Only say or do things that you want your child to say or do.
- Show interest, enthusiasm, and support for your child.
- Don't put pressure on your child. If players are pressured, they play not to fail rather than playing to win.

HELPFUL HINTS FOR PARENTS OF CHILDREN PARTICIPATING IN SPORTS

- Encourage your child to play sports, but don't pressure.
- Understand what your child wants from sports and provide a supportive atmosphere for achieving these goals.
- Set limits on your child's participation. Don't make sports everything in your child's life, make sports a part of their life.
- Help you child set challenging but realistic performance goals rather than focusing only on "winning the game."
- Help your child understand the valuable lessons sports can teach.
