The Y is committed to helping kids of all ages through programs that engage them throughout their preschool, school age and teen years. POLICIES AND PROCEDURES:

Always Welcome At the Y! Nationwide Membership enables you to visit any participating Y in the United States through membership at your "home" YMCA (your home location is the facility that enrolled you as a member and that collects your membership dues). We offer this because we want to help you reach your health and wellness goals wherever you live, work or travel. This is an essential part of our cause of strengthening communities. Individuals who are members of another Y must present their membership card and sign in at the Member Service Desk during each visit. An adult member must accompany any teen or youth member who falls into this category.

Visiting Other YMCAs

When you join a Y, you become part of a national movement of 18.1 million members in more than 2,450 local associations. Because each Y is autonomous, not-for-profit and not a franchise, their policies may vary on the use of equipment, facilities, services and programs by visiting members from out-of-town. Through the Reciprocity Program, usage at Ys is free for all members.

Local Guest Pass

Y adult members may bring a prospective member (someone who has not been a member or guest of our Y) as their guest for one visit at no charge. These individuals must be 18 years of age or older and must sign in at the Member Service Desk. (Not permitted on Sundays.)

Out-of-Town Guests

Y adult members may bring out of town guests to the Y for up to a two-week period. Although it is not limited to visitors of your household, the intent is to allow you to bring individuals who are visiting our community and would like to attend the Y with our members. These individuals must sign in at the Member Service Desk each visit and may be asked for photo identification. (Not permitted on Sundays.)

Medical Insurance

The Y does not provide medical insurance for members and program participants. Medical costs of injuries sustained at the Y are the responsibility of the individual using the facility.

Check-In

You will be required to scan your member identification card at the Member Service Desk each time you visit the Y. Membership privileges and cards are not transferable. Lost cards can be replaced for \$3.00.

The following guidelines apply to the usage of our facility:
